

My Short Break Tailored

We will work with you to design an individualised, one to one, Short Break just for you. Your Short Break will meet your specific needs and wants at a time and place that suits you.

Short Breaks are all inclusive of

- accommodation - you will enjoy your own private space (bedroom and bathroom usually)
- meals and snacks in line with your specific dietary requirements
- transportation in the community (including pick up to and from your home in the Adelaide metro area)
- activities and entrance fees (as indicated)
- support of a trained and experienced mental health worker who is available 24/7

Charlie Takes a Break provides a great respite and short break experience for you, usually without any out of pocket expense.

Short Breaks should align with your NDIS goals and are funded through your NDIS core support package. **For participants living with a carer, funding for Short Breaks is available through Short Term Accommodation and Assistance. If you live alone or in Supported Independent Living (SIL) accommodation, funding can be accessed through Community Social and Recreational Activities.** If you have other funding options you are also encouraged to enquire.

We will arrange to meet with you in advance to explore your unique needs and requirements to ensure that your Short Break is the experience you are looking for.

About Charlie Takes a Break

Charlie Takes a Break offers you an NDIS sponsored Short Break or respite from your day to day life. You will have the opportunity to relax and refresh, enjoy some great activities and experiences, meet some new friends and have some fun in a safe, supported and comfortable environment.

Our recovery focused Short Breaks involve a small group of 3 participants with the support of a trained and experienced mental health worker.

Short Breaks are themed to reflect the activities and things that are important to you, and that you enjoy. Whether it's art or animals, bowling or BBQs, we have a Short Break just for you.
